

# CHAWTON CRICKET CLUB

## MINUTES

### COMMITTEE MEETING

Tuesday 14<sup>th</sup> September 2010

**Present:** Mike Watson, Richard Williams, Nicole Williams, Zoe Channon, Tania Charlton, Bryan Orchard, Will Butler, Andy Whittall

**Apologies:** Tim Jenkins, Jim Collins, Rick Waterman

### **Saturday side**

It was a struggle at the start of the season to get players but did improve as the season went on. Will is stepping down as Captain but Guy Charlton has put his name forward. Agreed an assistant is needed as it is a lot for one person to organise. Most local clubs seem to be struggling for players, Will mentioned Kingsley have two teams and play more locally in the l'Anson league to discuss further at AGM. The committee agreed that Will had done a very good job this season. Will mentioned he is trying to organise some games with former colleagues and suggested the idea of using Chawton as their 'home ground'.

- Money  
Mike has match fees to pass to Nicole; one of the rooms booked was only occupied by one person on the second night so the club will need to refund Toby who has paid for both nights.
- Website.  
Nobody from the club is editing the site only Andy. He has offered to show any volunteers how to edit. Andy is happy to put any info needed on the site. A booking form for use of the pitch to be put on the website. £125.00 hire (£100 to club and £25 to Robert)
- Corporate Match  
The match arranged by Andy as a thank you to the website designers was a success and thoroughly enjoyed by them. When asked if they would pay for this sort of event a fee of around £1000 was mentioned. Andy felt this could be the way forward for fund raising which was agreed by those attending.
